

The Parole Board Queensland (the Board) has a significant backlog in parole applications.

The Board recently welcomed additional funding to:

- extend a fourth operating team that commenced in April 2021 until 30 June 2022; and
- implement a fifth operating team from October 2021 until 30 June 2022.

The Board will continue to do everything that it can to decide parole applications as quickly as possible.
